AWARDS AND HONORS

- EMERGING YOUNG ARTIST SCHOLARSHIP FOR JAZZ PIANO IN HONOR OF DAVE BRUBECK (STAMFORD CENTER FOR THE ARTS)
- FILENE SCHOLARSHIP FOR CLASSICAL PIANO (SKIDMORE COLLEGE)

ENDORSEMENTS

- "At an early age he has “done it all” - that is, studied classical piano as well as jazz, composed and recorded original music, played in various styles from jazz to show tunes to alternative rock; and what I admire most of all, he has shared that talent with others by performing for the elderly, teaching younger children, and participating in all kinds of musical activities in his school. I can’t imagine a more deserving recipient of the Brubeck scholarship." – Grammy Lifetime Achievement Award Winner, **Dave Brubeck**
